Dear Library Colleague,

I'm Wil Gregersen, Community Services Librarian at Warwick Public Library in Rhode Island, and I'm writing to recommend Michael Smith.

In June 2015, Michael traveled to the Ocean State to perform at Warwick Library, Barrington Public Library, Sandywoods Center for the Arts, and a private home.

Warwick Library and Barrington Library regularly book top New England musicians, and their audiences expect great concerts. Michael blew past their expectations and gave them unforgettable shows.

It's easy to see and hear Michael online and determine if he's right for your library. What I want to add is, if you like your patrons and want to give them a wow, hire Michael.

If you'd like to know more, give me a call at (401) 739-5440, x221 or write to wilgregersen@gmail.com.

Sincerely,

Wil
